VELOUR SOFA - A MODULAR SEATING RANGE BY ANTONIO RODRIGUEZ FOR LACIVIDINA

LaCividina specialises in providing substantial and elegant upholstered seating arrangements for residential and contract divisions. The brand has become one of the most prominent Italian brands worldwide, having recently celebrated 40 years of existence and success. The Velour sofa is a clear testament of the brand's success. Designed by Antonio Rodriguez, this new modular seating range features a ground-breaking new backrest which is highly flexible and comfortable. Its solid wood frame, elastic seat webbing and foam padding are banded together in order to give this exceptional piece just the right amount of depth.
