Italian furniture brand [LaCividina](#) debuted two new collections of upholstered seating at [Milan Design Week 2018](#) designed by German designer [Sebastian Herkner](#) and French designer [Constance Guisset](#).

[Soave](#) marks [Sebastian Herkner](#)'s second collection with [LaCividina](#) and it includes a series of armchairs and sofas in various sizes but only one depth. Each piece's depth is limited giving them more of a sculptural appearance. The curvy upholstered elements are elliptical in shape and...
